Welcome to Mini Bethphage Buzz

Established in 1994 Bethphage is a charity that supports adults with learning disabilities, autism and mental health needs in Shropshire and the West Midlands.

Support Blossom Barns Community Orchard!

We are thrilled to announce the opening of "Blossom Barns" in Chelmarsh, our new farm-based day opportunity for adults with learning disabilities and autism in December last year.

Since our last edition of Bethphage Buzz, everyone has been settling in and enjoying the new space.

Our latest exciting project is the creation of a community orchard at Blossom Barns!

With your support, we aim to plant a variety of fruit trees, wildflowers, and raised beds, transforming the area into a haven of biodiversity and fresh local produce.

The orchard will feature accessible paths and handmade benches, providing a welcoming space for the community to enjoy during “pick your own” fruit days and open days.

Join us in making this vision a reality and help us create a vibrant community orchard at Blossom Barns!
